

A photograph of an outdoor patio area. The patio is paved with large, light-colored rectangular porcelain tiles. Three horizontal decorative lines, made of small, light-colored pebbles, run across the tiles. In the background, there is a round, woven wicker ottoman on a white, oval-shaped rug. To the left, there are some potted plants, including tall grasses and small purple flowers. To the right, there is a bed of brown mulch with some green plants. The overall scene is a modern, minimalist outdoor space.
